- Russians

Providence, RI

This survey is being conducted by students at Feinstein High School who are researching the geography of ethnic groups in Providence, RI.

What ethnicity do you consider yourself?

What is your age?

What neighborhood do you live in?

What ethnic groups do you know of that live in your neighborhood? What group is dominant?

Do you know what ethnic groups used to live in your neighborhood?

What changes have you seen in the ethnic makeup of your neighborhood?

Do you have any idea why these changes have occurred?

Why did you choose to live where you currently live?

How long have you (or your family) been living in Providence? In the United States?

Why did you (or your family) decide to move to Providence? Where did you move from?
